九龍太子大南街90號地下 (太子站C2出口)
G/F, No.90, Tai Nan Street, Prince Edward, Kln

Product Information

Brand: CCE

Origin: Italy

Model: ULISSE Light (Threshold Plate)

Description:

Easily installed on lead doors and protects from air, wind, water, insects and noise. It has a solid aluminium body which can be easily fixed on the floor with screws or silicone. The threshold is 15mm high and it complies with the European standards on disabilities access. The threshold body has a chute with blanked holes which allows the water to flow away from the door and lateral endcaps are enclosed. The aluminium profile is fitted with a soft self-extinguishing silicone seal that acts as a door stopper and provides protection from smoke, fire, noise.

Finishing:

Silver anodized aluminium with grey silicone rubber gasket and grey flexible bedding gaskets.
